UN Kosovo Team — In Brief

October 2021

#KosovoClimateAction Campaign

√ Octobe

British Embassy, Italian Embassy and other local and international partners joined forces with UN Kosovo Team, to raise awareness on #KosovoClimate-Action. The #KosovoClimateAction campaign leading up to COP26 was followed by a set of advocacy activities during the months of October and November.

≥ 22 October

A dedicated activity on climate change and youth was organized at 'Mihal Grameno' school in Fushë-Kosovë/o polje, which included tree planting and student climate art exhibition.

For more details, click here.

≥ 29 October - UN Habitat

Local Climate Action Forum in Kosovo established at the initiative of UN Habitat, 28 non-governmental organizations from all over Kosovo have become part of a joint forum for action on climate change.

The forum was established on October 29, 2021, a few days ahead of COP26, marking World Cities Day.

Members of the forum jointly published a statement, requesting from the local and central institutions to act and address climate change issues through a multilevel and multistakeholder approach.

1 November ■ 1 November ■ 1 November ■ 2 November ■ 2 November ■ 3 November ■ 3 November ■ 4 November ■ 4 November ■ 5 November

UNDC through a video message as part of the Local Climate Action Campaign, targeting primarily youth, advocates on the importance of protection of nature, green production & consumption.

y 4 October

An event on Marking of World Habitat Day 2021, bringing together the President, Prime minister, and members of its ministers' cabinet, heads of international agencies in Kosovo, Members of the Assembly, artists, civil society activists, academia, was organised by UN-Habitat. Over 3000 people joined the event in person and online through social media channels and Live Broadcast of local news agencies. For more details, click here and here.

During the event, an MoU was signed between UN-Habitat and the Ministry of Local Government Administration on the implementation of the new capital investment program in 38 municipalities. For more details, click here and here.

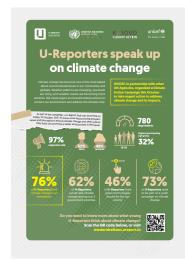

≥ 19 October

Co-organised with British Embassy, Italian Embassy and Development Coordinator's Office, a documentary Breaking Boundaries: The Science of Our Planet by Sir David Attenborough, screened at Kino Armata theatre, brought together civil society, experts, activists, and numerous people interested in climate action.

The screening was followed by a discussion with representatives from civil society, academia with a Q&A session focusing a lot on local responses to combating climate change.

For more details, click here.

≥ 19 October

UNICEF published the results from U-report on how to tackle the climate crisis were also launched, and the results were also promoted in social media.

For more details, click here.

y 4 November

Healthier Kosovo II project launched, funded by the Embassy of Luxembourg in Kosovo

Building on the Healthier Kosovo I success, the project will introduce Park Foundations: A collaborative platform enabling communities, municipalities & local businesses to work together in protecting & developing green areas.

For more details, click here.

≥ 5 November

Facilitated by the UN Habitat Office in Kosovo, Fitore Pacolli member of the Kosovo Assembly and chair of the Committee on Environment, participated as a speaker, in the side event organized in the margins of the #COP26 facilitated by UN-Habitat Office in Kosovo, and co-organized by UN Environment Programme and ITU International Telecommunications Union,

The participants sent messages on the need for more space for local solutions on climate change and the SDGs.

For more details, click here.

≥ 28 October

'Fashion Revolution' event launches UNDP's global campaign 'Don't Choose Extinction' as part of the UNDP global campaign, but also part of the ongoing Kosovo Climate Action, the Embassy of Finland, Embassy of Sweden, in partnership with the Swedish Institute.

Don't Choose Extinction', and the 'Fashion Revolution' event on sustainable fashion aimed to highlight the importance of decreasing environmental pressure and raise awareness on the need to step up ambitious climate action, green economy, and sustainable development.

Frankie the Dino video for the UNDP Global Climate Campaign is available in English, Albanian, and Serbian: FB posts are here and here. The event was followed by a panel discussion of representatives of Kosovo start-ups in circular economy.

√ 7 October, UN-Habitat

Second phase of the Capital Investment Fund for 38 Municipalities Designed!

UN-Habitat, the Ministry of Local Government and Administration and the Ministry of Education, Science, Technology and Innovation, and PI gathered in a workshop to work together on conceptually designing the proposal for the second phase of the Capital Investment Facility (CIF 2), which will be open to all 38 municipalities.

Through this programme, the local government will be supported into developing a bottom-up approach capital investment project, including focus on climate responsive municipal infrastructure and processes. Throughout the process, the community will be an active stakeholder on identifying, designing and monitoring their implementation.

≥ 25-26 October

Drafting of the National Development Strategy 2021-2030 starts with a multi-stakeholder meeting

The Strategic Planning Office (SPO) within the Office of the Prime Minister of Kosovo hosted the first Multi-Stakeholder Dialogue (MSD) entitled: Way forward - National Development Strategy of Kosovo 2030, on 25-26 October 2021. The objective of the meeting was to open a discussion space on Kosovo challenges in the development segment.

Acting on behalf of the UN Development Coordinator, Maria Suokko, stressed the importance of the alignment between the NDS and the UN Cooperation Framework and the commitment of Kosovo to the Agenda 2030 and its SDGs.

The UNKT has supported the SPO during the process with expertise in the environment pillar as well as technical support, and remains committed to cooperate and continue the support in all key objectives and subareas as well as all cross cutting priorities.

≤ 5 – 8 October, WHO

Intra Action Review Mission on COVID-19 Management

Responding to the request of the Ministry of Health, WHO Pristina Office, with support from WHO Balkan Hub, WHO Regional Office for Europe and WHO HQ team, conducted a 4-days (5-8 October) Intra-Action Review (IAR) mission of the COVID-19 response in Kosovo. IAR provides key officials and partners an opportunity to collectively share experiences, identify challenges and document best practices towards improving Kosovo's response.

Following a prioritization exercise, MoH requested to review seven pillars of the strategy, which tackle Kosovo-level coordination, risk communication, surveillance, national laboratory system, infection prevention and control, case management and public health and social measures.

≥ 7 October, UNDP

Technical support to NGOs to strengthen business plans and organizational planning

Sixty NGOs were trained to enable them to develop their business plans as part of the licensing process in line with administrative instruction requirements. This will ensure they have the needed qualifications to continue providing social and family services to the most vulnerable groups.

The trainings were conducted during the week of 7 October as part of Humanitarian Assistance Project (HAP) funded by European Union Kosovo and implemented by UNDP Kosovo.

≥ 6 and 13 October, UNMIK & OHCHR

UNMIK and OHCHR Engage with OIK and OGG on Advancing Human Rights for All

UNMIK and OHCHR continued their engagement and support to the Ombudsperson Institution (OIK) and the Office of Good Governance (OGG) to advance human rights for all people in Kosovo, such as on the possible incorporation of the UN Convention on the Rights of Persons with Disabilities into legal framework.

Both institutions expressed their readiness to closely collaborate to enhance civic space in Kosovo, while UNMIK and OHCHR agreed to work with the OIK to increase its visibility across Kosovo, including in the north, and to further develop Kosovo-specific human rights indicators.

Following the OGG's request, UNMIK and OHCHR also agreed to possibly provide a training for government officials on human rights reporting and engagement with UN human rights mechanisms.

≥ 8 October, UN WOMEN & UNDP

Coordination Mechanisms on Prevention of Domestic **Violence**

A series of focus groups on the coordination mechanisms in the municipalities of Peja/Peć, Podujeva/o, Suharekë/Suva reka and Dragash/š, were conducted in the framework of the EU funded project 'Response to COVID-19 Emergency and early recovery support' implemented by UN Women in partnership with UNDP.

Participants of the focus groups included representatives of different institutions and ethnic groups, where they could share their concerns regarding DV, discuss their challenges, and express their desire and need to further increase and develop their capacities.

9-20 October, UNOPS

Workshop on policies and action plans for Occupational Safety and Health

UNOPS is supporting the Ministry of Finance, Labour and Transfers (MFLT), specifically the Department of Labour and Employment to develop policies and action plans. During a 2-day workshop with project partners, stakeholders, and beneficiaries, needs and expectations of the ministry were presented, and project plans were unfolded aiming to further strengthen the coordination and encourage participation and engagement of all.

The purpose of this activity is to harmonize and align work plans of the project partners with those of the ministry to ensure sustainability of the project results and support the implementation of labour rights to create a decent work environment for all.

"Promoting decent work through strengthening occupational safety and health (OSH) management and social dialogue" is implemented by UNOPS and funded by the Swedish International Development Cooperation Agency (Sida) through the Embassy of Sweden in Pristina

√ 11 October, UNICEE

Advancing Young People Agenda with ADA

UNICEF hosted a joint field trip with Ms. Petra Oberberger and Austrian Development Cooperation, as a strategic donor on advancing young people agenda in Kosovo, providing opportunities to support modern, digital tools and measures to improve the school-to-work transition.

For more details, click here.

≥ 8 October, UN Women

Support in drafting the new National Strategy against **Domestic Violence**

UN Women provided technical support to the Office of the National Coordinator against Domestic Violence/Ministry of Justice, in drafting the new National Strategy against Domestic Violence through a roundtable with civil society organizations. This was supported under the framework of the EU funded regional EVAW programme "Implementing Norms, Changing Minds".

18 October, WHO

Protocol for SARI VE Survey Approved

Development of the protocol for SARI VE survey is completed and approved by the Ethical Committee of Physician Chamber of Kosovo and WHO. The SOPs and other supporting documents have been created.

The questionnaires were created on REDCap platform and ready to be used. Study sites have been visited. Preparation for the training of the data collectors, interviewers and laboratory staff is ongoing.

≥ 11 October, UNDP

Restoration Camp for Pristina Clock Tower

A 12-day long Restoration Camp with 16 participants at the Clock Tower in Pristina started on 11 October. The camp was a hybrid of lectures and practical work, aiming to teach students about the importance and preservation materials and techniques of cultural heritage buildings. The final product was the restoration of three elements in the Clock Tower, which included: a) Cleaning of external walls, repointing the stones, reinforcing the walls, and restoring the windows cornices; b) Cleaning the brickwork in the inner walls, restoring the damaged bricks, and repointing them; and c) Reconstructing the timber staircase.

On 14 October, the camp welcomed a visit from Minister of Culture, Youth, and Sports Hajrulla Çeku and Minister of Local Government Administration Elbert Krasniqi who met with young professionals who were preparing for their careers in cultural heritage protection.

The camp was organized by UNDP & CHwB Kosovo as part of the EU-funded project and by the municipality of Pristina for the Tower Clock.

Full story here and here.

≥ 19 October, UNDP

Internship experience with the Kosovo Anti-Corruption Agency

Uresa, Bardha, Sara, and Florian — four aspiring jurists— told us their story of how they found a way to develop themselves professionally while doing their fair share of work in the fight against corruption.

The four jurists just finished their 9-month internship at the Kosovo Anti-Corruption Agency as part of the Support to Anti-Corruption Efforts in Kosovo III (SAEK III) project, funded by Swiss Development & Cooperation (SDC) and Swedish International Development Cooperation Agency (SIDA).

Trainings on Pig Disease and Farm Biosecurity continue

FAO has finished delivering a series of trainings at various locations in Kosovo on detecting and preventing African swine fever (ASF) in pig farms. The disease was first detected in 2019 in Serbia, when the first case was registered in the Western Balkans region. As the disease is still present in Kosovo, there is an ongoing risk of spreading the disease to neighboring WB countries and areas.

Four trainings in different locations were held, reaching 47 pig farmers and 12 private veterinarians. The training materials were developed by FAO experts and were adapted to local circumstances and delivered by Jeton Muhaxhiri, FAO field activity expert. Photo credit: ©FAO/Luis Tato
